PROFESSIONAL EXPERIENCE

Teaching Assistant – 10/2022 - present
International Business and Information Academy Tuzla, Tuzla
I am dedicated to educating new generations of future experts and engineers and sharing knowledge across various fields of technology. In my role as a teaching assistant, I have the privilege of actively contributing in preparation and execution of lectures and lab exercises, ensuring a practical approach and high-quality knowledge transfer for different courses such as:
- Web Programming
- Operating Systems
- Customer Support Technologies and Systems
- E-Business
- E-Banking and Payment Systems
- Introduction to Computing and Information Technology
- Introduction to Information Systems

Internship – 03/2021 - 03/2021
Agile Capital Menagement d.o.o., Tuzla
Practical work with Microcontrollers and RFID Technology
- Introduction and training with microcontrollers using C programming language and Arduino IDE
- Engaging with RFID technology, configuring and testing RFID readers and cards
- Development of basic software solutions for controlling devices via microcontrollers
- Acquiring practical knowledge in the implementation of RFID systems

Gaming Club manager – 01/2021 - 12/2021
Republic of Gamers, Banovići
- Configuring and maintaining hardware and software systems in the club
- Providing technical support to clients during the use of equipment and services
- Organizing and managing gaming tournaments, including event planning and promotion
- Managing social media profiles

Editor – 01/2019 - 01/2022
Info portal grada Banovići, Banovići
- Managing the WordPress platform, performing regular updates and uploading content

- Developing interesting and informative content customized for the portal's viewers
- Analyzing metrics and modifying strategies to enhance user engagement and portal traffic
- Managing social media profiles

Photographer and videographer – 01/2019 - present
Besirovic Photography, Banovići
Dedicated to digital photography and videography, I cover a wide range of styles and client needs. I focus on details and a creative approach, aiming to capture unique moments and provide high-quality visual content adapted to each client's requirements

Freelancer – 01/2017 - present
As an independent professional, I primarily provide services within the local community, with occasional engagements for online projects, depending on client needs
- Graphic Design
- IT Technician
- Digital Marketing
